Six motion-ready AI experiences. Open the digital catalogue to play each clip.

MOTION 01

Mini Figures

Turn the group into detailed collectible figures photographed like a premium miniature set. The finished AI image comes alive as a short motion keepsake.

MOTION 02

Paper World

A dimensional paper-cut world with layered card, folded edges and handmade shadows. The finished AI image comes alive as a short motion keepsake.

MOTION 03

Plushies

Everyone becomes a recognisable, huggable plush character in a cosy miniature scene. The finished AI image comes alive as a short motion keepsake.

MOTION 04

Brick World

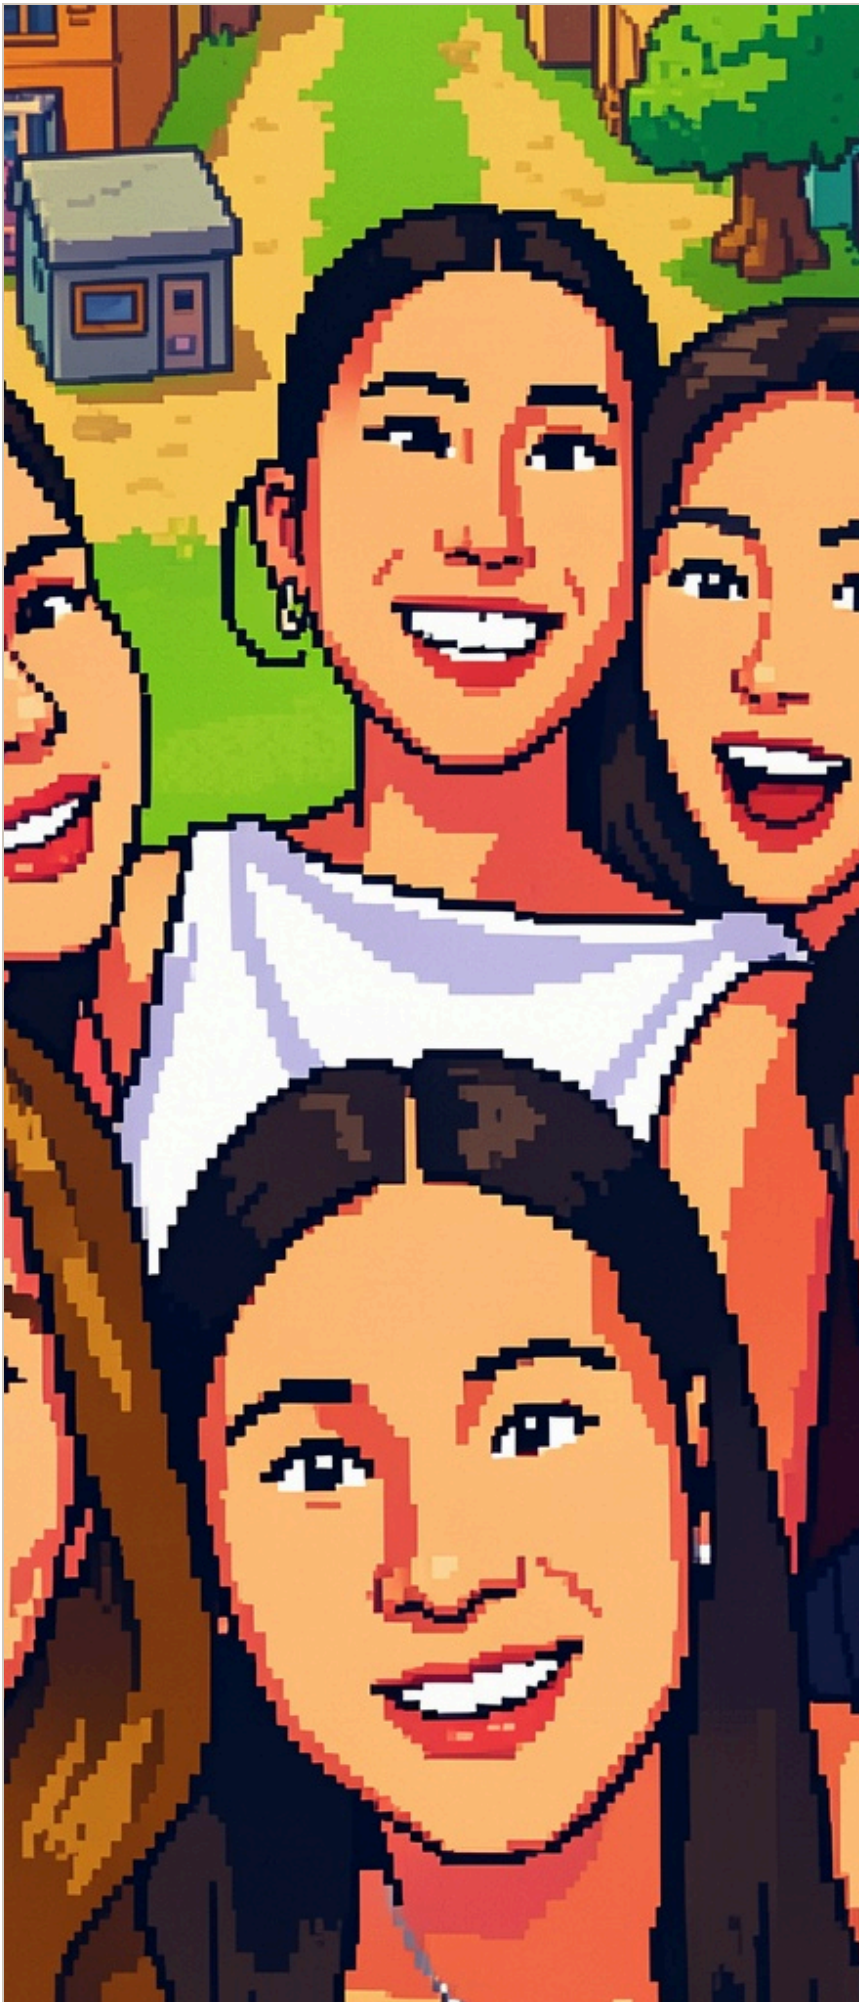

Rebuild the full scene in colourful interlocking bricks and miniature toy photography. The finished AI image comes alive as a short motion keepsake.

MOTION 05

Inflatable Us

A glossy designer-toy universe with soft, larger-than-life inflatable characters. The finished AI image comes alive as a short motion keepsake.

MOTION 06

Arcade Characters

Step inside a colourful pixel-art adventure, rebuilt around every guest. The finished AI image comes alive as a short motion keepsake.
